ABOUT US

I'm an independent beauty consultant with Mary Kay Cosmetics. I've been building my business for 5+ years. I love working with brides and their entourage to show the importance of taking care of their skin not just for the big day, but for life. Cosmetics for the special day then becomes enhancing that natural glow that can't be duplicated, rather than hiding imperfections.

Mary Kay Cosmetics celebrated 56 years strong in 2019. We're leading the way in the skincare and cosmetics industry. We're a top global brand and are animal- & eco-friendly. History (in the event industry): I've been building my bridal clients for 3 years & some have even become great friends!

ABOUT US

Anna Grinets Photography focuses on capturing emotions and creating stylish imagery in the highest quality. The photography style is soft, elegant and romantic. The couple spends a lot of time and effort planning their big day down to the smallest details, and I feel honored to be there to capture it all. From the boudoir and bride getting ready, to the emotional first look, to the breathtaking romantic moments of their special day... It is my greatest privilege to capture these memories so my clients could relive them for many years to come. I take time to get to know each couple that I work with to learn what it is that they expect, and make sure I go above and beyond to leave them satisfied. I love to combine my passions for art, photography, and travel to photograph unique moments and unique settings.
